GCSF ENDOWMENT CAMPAIGN

The Germantown Community Scholarship Fund (GCSF) embarked on an Endowment Fundraising Campaign in 2006, the 25th anniversary of its founding. As a non-profit organization, GCSF relies on charitable contributions to continue to meet its scholarship goals.

To help spread the word about GCSF's Endowment Fundraising Campaign, events are held throughout the community to generate additional donations. This Spring, our auction collected \$4,104 for the Endowment Fund.

In total, since its inception, GCSF will have awarded more than \$3.27 million in scholarships to 2,914 Germantown area students pursuing education at colleges, universities or vocational/technical schools.

The Endowment Fund is an investment that helps guarantee that GCSF's work will continue for future generations. Please consider a contribution to GCSF's Endowment Campaign as an investment in the future of our youth. To find out how you can help with this worthy cause, contact Glenn Schroeder, Board President at 262-993-5040 or by email, gschroeder@gcsfund.org. Information is also available on the Germantown Community Scholarship Fund's website at www.GCSFund.org.

GCSF TEACHER GRANT PROGRAM

In 2004, GCSF also recognized a need to support our Germantown School District teachers and staff in their efforts to help area students develop. Since starting the program GCSF has awarded over \$37,250 in grants. Community support and proceeds raised during the U.S. Bank Mud Splash – Run for Funds helps to raise money toward these Teacher Grants.

2021-22 GCSF Teacher Grant Awards

Joseph Woger, 4th Grade Teacher at County Line Elementary School:

To design a STEAM Lego Boost Robotics Lab to allow children to create different robot models with motors and sensors. And bring their creations to life through simple scratch coding commands. Inspiring children to love learning starts with fun and with relationships.

Julie Quigley, Kennedy Middle School, Special Education:

Purchase equipment for Treadmill and recumbent bike to help students with mobility issues and regulate their body in order to function productively.

Jenni Last, Speech and Language Services:

Purchase of sensory bins as well as items (rice, popcorn, beans, etc) to put into the bins to engage students in finding a learning target.

Tiffany Maryanov, Reading Specialist & Gayle Groth, Amy Belle Elementary School:

LETRS (Language Essentials for Teachers of Reading and Spelling) comprehensive training for teachers to have deeper understanding of the SCIENCE of reading and evidence-based strategies.

Wesley Hoopes, Germantown High School:

Chemistry, Physics, and AP Physics 1 – Funding for solar powered car project.

2022 GCSF SCHOLARSHIPS

The Germantown Community Scholarship Fund (GCSF) exists to help area students achieve their goals and live their dreams. We provide scholarship money to those graduates who will continue their education at a college, university or a vocational/technical school.

The GCSF trust fund was initiated in 1981 by a donation from the Germantown Rotary Club in the amount of \$10,000. A \$200,000 donation in 1990 from the Germantown Volunteer Fire Company greatly increased the trust fund. The remaining scholarships are funded by donations from annual fundraising events, businesses, service organizations and individuals.

This year's graduating seniors are the fortunate recipients of funds raised at a successful Dinner & Auction Fundraiser, investment income from our Endowment Fund, and the generosity of 33 Named Scholarship Donors enabling GCSF to award \$144,666 to these students. *We sincerely thank all who contributed or helped in any way to offer these awards.*
